Informal Dinner together for those staying in Kumamoto over night

We welcome you to join us ...

Registration fee for 18-19 Nov is JPY2,000 including lunch and breaks; excluding Reception dinner fee (JPY4,000). Assistance can be provided in making economical hotel reservations for all nights (accommodation costs are estimated to be JPY7,000 per night).

Participants are also welcome to attend additional lectures on bioethics in each country on the **17th and 20th November** that will be given by some of the invitees to HIGO students.

Please prepare your full paper in printed format...

This all plenary conference will include presentations and discussion in an informal setting with some leading international bioethicists. The particular theme is to discuss the past decade of cross cultural bioethics dialogue, and prepare a book that will be a living legacy to inspire Peoples everywhere to think about the ideas behind their self-determination living in harmony with all of life and across cultures. **All presenters are encouraged to prepare their written paper (which can be longer than the oral presentation that is allowed by time constraints). Please use Harvard citation style (<http://www.citethisforme.com/harvard-referencing>), and send your paper to Prof. Darryl Macer (Darryl@eubios.info)**
